RE: Conflict Materials Statement

Dear Customer,

We are therefore glad to inform you that all the material grades supplied by ZL Engineering Plastics with the trademarks:

ZL®250, ZL®900, ZL®1400, ZL®1400HI, ZL®1100, ZL®1500, ZL®1600 and
ZL®1000

Do not contain “Conflict Materials” as defined by the Dodd-Frank Wall Street Reform and Consumer Protection Act that originate in the Democratic Republic of Congo or an adjoining country. .

Please be advised that based on the information available to us from our raw material suppliers; ZL Engineering Plastics stock shape products to our knowledge are considered DRC (Democratic of the Congo) conflict free.

Being that raw material supplier’s policies and their future sources of are out of our control, ZL Engineering Plastics assumes no liability, expressed or implied, and warranties in connection with any use of this information.

This statement is based on recent knowledge from our resin suppliers covering the stock shapes produced by ZL Engineering Plastics at the date of issue.

Regards,

A handwritten signature in black ink, appearing to read 'Eric Giesen', is written over a horizontal line.
