Ref: Conflict Materials Reporting Statement -CMRT 6.31

We are therefore glad to inform you that all the material grades supplied by ZL Engineering Plastics with the trademarks:

ZL®250, ZL®900, ZL®1400, ZL®1100, and ZL®1500

Do not contain “Conflict Materials” as defined by the Dodd-Frank Wall Street Reform and Consumer Protection Act that originate in the Democratic Republic of Congo or an adjoining country.

ZL Engineering Plastics materials do not contain Tantalum, Tin, Gold, and Tungsten, also known as 3TG as defined by CMRT version 6.31 .

Please be advised that based on the information available to us from our raw material suppliers; ZL Engineering Plastics stock shape products to our knowledge are considered DRC (Democratic of the Congo) conflict free.

Being that raw material supplier’s policies and their future sources of are out of our control, ZL Engineering Plastics assumes no liability, expressed or implied, and warranties in connection with any use of this information.

This statement is based on recent knowledge from our resin suppliers covering the stock shapes produced by ZL Engineering Plastics at the date of issue.

Best regards,

Eric Giesen
Vice President of Sales
